REMARKS

The Examiner cancelled claims 25-31 on the grounds that the claims 25-31 were directed to a invention that was non-elected without traverse.

The Examiner is incorrect. The invention was made with traverse, as shown by the following quote from the RESPONSE TO RESTRICTION REQUIREMENT filed on August 30, 2004:

Responsive to the action mailed August 13, 2004, applicant elects the invention of Group I, claims 1-24, drawn to a method and system for polishing. The election in response to restriction is made with traverse for reasons discussed below.

Applicant asks that all claims be allowed. Please apply any other charges or credits to Deposit Account No. 06-1050.

Respectfully submitted,

Date: 10/12/05
